## Injection Pump Measuring Tool

### CRT069

#### Injector valve stroke measuring tool kit

Test the gap between shims and check the adjust gasket to choose correct thickness gasket.

### CRT079

#### Digital Micrometer 0-25mm 0.001mm

Measuring tool for injector gasket thickness test outer diameter, inner diameter, length, height, thickness and other technical parameters.

### CRT082

#### Diesel injector return oil tester flow test kit

Suit bosch/denso/delphi/siemens mechanical injector and cr electronic control injector.

### CRT098

#### Digital micrometers for bosch stage 3 tester

Measure injector replacement dimensions and clearances of parts.

### CRT116

#### Digital oil-proof thickness gauge

Test CR injector thickness, diameter or internal parts with high accuracy.

## Grinding Tool

### CRT004

#### Denso hp0 diesel pump plunger repair tool

Grinding can be 0.4  $\mu$ m, and Parallelism is less than 0.003mm.

### CRT006

#### Ultrasonic cleaning machine

2L capacity injector cleaner.

### CRT020

#### Injector valve assembly grinding tools kit

Grinding injector valve with abrasive paste to recover valve surface smooth.

## Fix Tool Kit

### CRT001

#### 12pcs Fuel Injector adapter holder

it is use for fix bosch/denso injector quickly.

### CRT002

#### Universal injector fix adapter kit
